Miss A. C. Maxwell,

Presbyterian Hospital,

41 East 70th Street,

New York City.

Dear Madam:

Miss J. J. Gunn, Superintendent of Nurses of the Toronto General Hospital, has written to me that Miss Bertha Harmer a graduate of the Toronto General Hospital is very anxious to secure a Scholarship given by the Isabel Hampton Robb Memorial Fund at Columbia University. I do not know Miss Harmer, but I know Miss Gunn quite well, and also the School of Nurses of the Toronto General Hospital, which is in close connection with the University of Toronto. The work of that School I can speak of with complete confidence, and I am sure that any one whom Miss Gunn will recommend must have had a thorough course, and will be well prepared for any definite work of the kind for which she is applying through this Scholarship.

Yours sincerely,

President.
